

# TRESPA® METEON® AVAILABLE WITH **PEFC™** OR **FSC™** **CERTIFICATION**

The mark of  
responsible forestry

# USING RENEWABLE RESOURCES

THE ENTIRE TRESPA® METEON® PRODUCT RANGE IS NOW AVAILABLE WITH PEFC™ OR FSC™ CERTIFICATIONS UPON REQUEST. THESE CERTIFICATIONS ARE ONE OF THE INITIATIVES RESULTING FROM TRESPA'S SUSTAINABILITY POLICY, BY WHICH TRESPA SHOWS ITS COMMITMENT TO THE USE OF RAW MATERIALS FROM SUSTAINABLE ORIGIN AND TO FOREST PRESERVATION.

## 70% WOOD-BASED FIBRES

Wood is a natural renewable resource which takes up CO<sub>2</sub> from the atmosphere around us. Trespas® Meteon® products contain up to 70% of wood-based fibres, most of which originate from managed forests which are recognised by the Programme for the Endorsement of Forest Certification™ (PEFC™) and the Forestry Stewardship Council™ (FSC™). These organisations encourage, among other eco-benefits, that forests are sustainably managed, taking the ecosystem and biodiversity as well as fair labour conditions into consideration.

## PEFC™ OR FSC™ CERTIFICATIONS AVAILABLE

The entire Trespas® Meteon® product range—in all types, sizes, thicknesses, finishes and colours—is available with PEFC™ or FSC™ certification upon request, in restricted quantities and jurisdictions. Ask Trespas's Customer Service Desk for PEFC™ or FSC™ certified products.

## LONG-LASTING PERFORMANCE

Trespa® Meteon® panels are well-known for their long-lasting performance and reliability. Their closed surface structure practically withstands dirt accumulation, keeping the product smooth and easy to clean. These panels are ideal for prolonged exposure as they retain its appearance for many years. As a result, unnecessary repairing work, time and materials can be minimised.

## SUSTAINABLE PROCUREMENT AND BUILDING GUIDELINES

Applying Trespa® Meteon® PEFC™ or FSC™ certified products helps you to qualify for public projects supported by the European Union's Green Public Procurement as well as to obtain credits for the LEED certification developed by the U.S. Green Building Council. The use of PEFC™ or FSC™ certified Trespa® Meteon® panels also contributes to you and your customers' Social Responsibility.
